Attn: Tom Tetting

Gentlemen:

It has recently come to my attention that previous management of Minerals West, Inc. did not notify your division when they temporarily suspended mining operations at the MiVida mine in San Juan County. This is to notify you that operations were suspended the first week in June 1982.

Present management anticipates operations starting up again at the MiVida some time during 1983. We will of course notify you when operations start up again.

Also, it should be noted there was a change in management effective July 6, 1982. Directors are, Thomas M. Nielson, William C. Nielson, Francis M. Lyman, Milton C. Nielson and Otis C. Rice. Officers are: Milton C. Nielson, Chairman of the Board, Thomas M. Nielson, President and principal executive officer, William C. Nielson, Vice-President, Francis M. Lyman, Secretary-Treasurer.

Very truly yours,

MINERALS WEST, INC.
